

Letter in Support of the Application of TJX Employees to Join CAWU

We, the undersigned employees of Jeld Wen are members of the CAWU and stand in solidarity with TJX employees and their quest to join our union. We never had a union before. Joining CAWU was the best thing we ever did! Now we enjoy the benefits of CAWU's strong representation of our rights and what is in our best interests. And if anybody tells you to the contrary they are lying to benefit only themselves.

In Solidarity,
